

Biosecurity in Livestock Operations Webinar - 2026

SARM Plant Health Technical Advisors and Saskatchewan Ministry of Agriculture have partnered to deliver a free winter webinar for Pest Control Officers, First Nations members, and Rural Municipal ratepayers in February 2026.

February 17, 2026 at 12:00 pm to 1:00 pm

In this presentation, we will address key principles of biosecurity and protocols for entering livestock premises. The presenters will also discuss diseases of concern and disease transmission, PPE and barriers for implementing biosecurity.

Presented by: Mikayla Waller, MSc, PAg, Animal Health and Welfare Specialist, Livestock Branch, Ministry of Agriculture and Dr. Tyra Dickson, DVM, Animal Health and Welfare Veterinarian, Livestock Branch, Ministry of Agriculture
