INFORMATION BULLETIN

Snow Removal on Municipal Roads

The Council for the R.M. of Cana No. 214 wishes to remind ratepayers that road allowances are under the control and jurisdiction of the municipality and the municipality is responsible for the safety of those that travel along the road allowance.

When conducting private snow removal across a municipal road allowance, leaving snow ridges can create dangerous driving conditions that threatens the safety of the travelling public and puts municipal equipment and private property at risk for damage.

While the municipality understands winter conditions are not always favorable, the Council asks that ratepayers refrain from leaving ridges across municipal road allowances to ensure private snow removal practices do not impact driving conditions.

Your co-operation is greatly appreciated.

The Council for the R.M. of Cana No. 214
