Distance of proposed brush to be removed: \_\_\_\_\_

Width of proposed brush to be removed: \_\_\_\_\_

**\*Please attach a clearly labelled map of the proposed work or complete the “*Brush Removal Application – Site Plan*” (Form B) of this application. Pictures of the site may be required by R.M. Council prior to approval.**

**Brush Disposal**

**All brush must be disposed of after clearing at the applicant or land owner’s expense.**

Brush will be disposed of by means of: \_\_\_\_\_

Reason(s) for removal: \_\_\_\_\_

Expected date of work commencement and completion: \_\_\_\_\_

**Conditions**

1. Permission from the R.M. is required prior to any brush removal and any unauthorized work may result in a fine as per Bylaw No. 7-2016.
2. The R.M. requests that all buried cables or pipelines (includes all underground installations and survey monuments) be specified before work is to be completed. The R.M. will not be responsible for any and all damages to buried cables or pipelines.
3. No bush piles are to be left on road allowances for all season and seasonal roads. If the brush is not disposed of in a form approved by the RM Council the R.M. maintains the right to clean up the brush and any costs for the R.M. to clean up brush will be invoiced to the land owner.
4. Ditches are to be left in a mow-able condition or municipal equipment and the time to do so will be billed as a custom work item to the landowner.
5. Upon approval, this permit will be in good standing for ninety (90) days and does not grant any future approval, nor approval for legal land locations not pertaining to this form.
6. The Rural Municipality of Cana No. 214 will not be held liable for any damage, loss or accident(s) that ay be obtained during or after the brush has been removed.
7. Council reserves the right to conduct an inspection prior to work commencing and after the completion of any approved work to ensure compliance with the application and conditions set by Council.
8. Any damage to R.M. property (ex: road(s), culvert(s), etc.) will be repaired as directed by Council and at the landowners/applicant's expense.
9. Permission for bush removal does not grant permission for crop production or livestock fencing on road allowances.
10. The Applicant certifies that all information provided is correct. The applicant, upon signing, agrees to all terms and conditions as provided on this form and any conditions that may arise upon approval of the application.

I, \_\_\_\_\_, of \_\_\_\_\_ have read and understood the application.
